Clarkson Eyecare Opens New Office in South County

March 11, 2013...St. Louis, MO - Clarkson Eyecare is pleased to announce the opening of its new Telegraph office at 5632A Telegraph Road, St. Louis, MO 63129. The new office opened for patient care on Monday, March 4th.

The new office is located in the Telegraph South shopping plaza. It includes two state-of-the-art exam lanes and modern dispensing stations to serve patients. The doctor at the Telegraph office is Mark Wilkins, O.D. The Telegraph location offers a complete line of primary and secondary professional eye care services including full medical and vision eye examinations, contact lens fittings, emergency eye care, and treatment of eye diseases. Clarkson Eyecare also offers a large selection of retail eyeglasses, sunglasses, contact lenses, and accessory products.

This new office is just down the street from another Clarkson Eyecare, at 4412 Telegraph Road. Clarkson felt the growing patient demand in this busy South County area would benefit from another full time Clarkson optometrist. Dr. Wilkins joins Ernie Doiron, O.D., of the aforementioned location, in a joint effort to serve the Oakville area.

The new Clarkson Eyecare Telegraph office is open Monday, Thursday, Friday from 9 am to 6 pm; Tuesday, Wednesday from 9 am to 7 pm; and Saturday from 8 am to 1 pm. The phone number is (314) 334-7000.
